

# SPORTS SCHOOL TESTIMONIES

"Sports School sessions are fantastic - engaging, energetic and fun. All instructions are kept short, sharp and simple for the children to follow and understand. The children are always thoroughly engaged throughout from start to finish"

**- Tracey Sanders – Manager of Little Tots**

"After our initial taster session last year, we have been working with Sports School to incorporate a diverse physical education program at our nursery. Our children eagerly look forwards to 'Sports School Wednesdays' and can't wait to see what sport they'll be doing."

**- Penny Lewis – Manager of Woodside Montessori**

"Sports School provide outstanding multi-sports sessions for our playgroup. Parents are always impressed with the variety of physical education the children receive on a weekly basis."

**- Maria Andrews – Deputy Manager of Keywest Playgroup**

"We have recently started Sports School sessions after one of our parents referred us to the company after taking her son and daughter to Saturday classes. We have been extremely impressed by the professional, reliable and varied service we have received from both management and coaching staff of Sports School. Our coach always attends our nursery on time and consistently conducts extremely well planned and thought out sessions. The children have taken really well to classes and they adore coach Paul. Keep up the great work and thank you."

**- Donna Campbell – Manager of Holly Park Nursery**

"After an initial taster session roughly 2 years ago, we decided to start sessions at our nursery. Our staff were impressed with how engaged the children were and also the quality of coaching from Sports School. Since then Sports School has become an integral part of our nursery - not only providing physical education lessons for the nursery but also running sports days and other special events (mother's/ father's day). Sports School are a hot favourite with our parents as well, we are always hearing stories of children telling their parents what they've done in lessons as well as pretending to be the coach at home. As a result many parents have signed up to Sports School Saturday sessions. We would definitely recommend Sports School to other nurseries."

**- Siobhan Chase – Joint Manager of ABC Nursery**
